

COOKIE POLICY

When you visit the <https://care2joy.com/> website or mobile application (“**Platform**”), we may collect information you provide directly to us, subject to your cookie preferences, such as when you contact us, submit information via an online form, register for an account or sign up, respond to a survey, or otherwise communicate with us.

Depending on your cookie preference in your device or selected on our Platform, the following information may be collected through cookies or similar technology i.e. your unique device identifier, mobile device IP address, information about your device’s operating system, mobile carrier and your location information (to the extent permissible under applicable law).

Cookies are text files containing small amount of information which are downloadable to your computer or mobile device when you visit a site and allow a site to recognize your device. Cookies managed by Care2Joy are called “First-Party Cookies” whereas cookies from a third party are called “Third-Party Cookies”.

The Cookies would help us navigate between pages efficiently, remember your preferences, and generally improve your user experience. They may also ensure that the advertisements you see online are more relevant to you and your interests. In addition, cookies can help us analyze the use of our website and online content and facilitate / track the interaction on our websites and online content with social media.

Cookies may help us collect information to identify user behavior and to serve the content and offers based on your profile and for the other purposes described below, to the extent legally permissible in certain jurisdictions. In other cases, we associate information with an identifiable individual.

THIRD PARTY COOKIES

We may use some third party cookies, web beacons and other technologies from third parties to obtain web analytics and intelligence about our website and platform visibility and performance. We may share your cookie and browsing data with the third-party service providers and partners for the purpose of analytics, advertising and social media integration. These third parties may use this data to improve their services and deliver more relevant content in accordance with their respective privacy statements. Third parties such as Google (including youtube), Microsoft, LinkedIn, Twitter (X), Instagram, Meta, etc.

If you prefer not to have your personal information shared with the third parties, you can manage your preference at any time by opting out of analytics, advertising and social media cookies through our cookie consent manager.

If you want to remove existing cookies from your device, you can do this using your browser options. Please note that deleting and blocking cookies may have an impact on your user experience.

TYPES OF COOKIES

The following type of cookies are being used by Care2Joy in relation to your use:

Strictly Necessary Cookies- Cookies essential to enable movement around the Platform and use of the Platform features. Without the strictly necessary cookies, the services cannot be provided.

Analytics cookies- These cookies allow us to employ data analytics so we can measure and improve the performance on our site and provide more relevant content. These cookies do not allow us to collect information to identify a visitor to an individual level.

Performance cookies- Third-Party cookies from vendors we work with or who work on our behalf that collect information about your visit and use of the Platform, for instance which pages you visit the most often, and if you get error messages from web pages. These cookies don't collect information that identifies a visitor. All information these cookies collect is anonymous and is only used to improve how the website works. Third party vendors may have access to this data and may use it to improve their overall services and offerings.

Functionality cookies- These cookies allow a site to remember choices you make (such as your username, language or the region you are in) and provide more enhanced, personal features. These cookies cannot track your browsing activity on other websites. They don't gather any information about you that could be used for advertising or remembering where you've been on the Internet outside our site.

Advertising Cookies- Advertising and social media cookies (including web beacons and other tracking and storage technologies) are used to (1) deliver advertisements more relevant to you and your interests; (2) limit the number of times you see an advertisement; (3) help measure the effectiveness of the advertising campaign; (4) retargeting to Care2Joy websites/information and (5) understand people's behavior after they view an advertisement. They are usually placed on behalf of advertising

networks with the site operator's permission. They remember that you have visited a site and quite often they will be linked to site functionality provided by the other organization. This may impact the content and messages you see on other websites you visit.

If you have any question / issue / dispute in relation to the cookies now or during your visit at our Platform, please submit the same at please submit the same at - talktask@geoagilesolutions.com.
